**A TEA RECOGNIZED SCHOOL**

Dear Parents,

Welcome to Nichols Intermediate. We are off to a wonderful start for the 2008-2009 school year. Our 100% qualified staff is excited about the new year. We invite you to come and visit our campus at Meet the Teacher and schedule your parent-teacher conference.

As a *TEA Recognized Campus*, we are so proud of our improved test scores. Our staff works hard to ensure all of our students are successful.

Thank you for your support and we are looking forward to a great year.

Tammy Jones, Principal

**September 9**  
**5:00-6:30**

**Fall Picture Day**  
**Friday**  
**September 12th**  
**All orders must be prepaid.**

We realize that dismissal time is somewhat hectic. We do need parents to remember to follow the posted signs. We are examining several possible solutions to the traffic flow problems. We appreciate your patience and understanding.

Join the Nichols PTO

Stop by the PTO table at Meet the Teacher night. Our PTO is looking for parents, grandparents, aunts and uncles to join them as they do great activities for the students of Nichols. Last year our PTO was able to help with our end of year water day celebration and will be planning other activities for this year.

If you have an address or phone number change during the year, please notify the office.
